- it is likely that the consumer will be unable to comply with the consumer's financial obligations under the contract, or could only comply with substantial hardship; or
- the contract does not meet the consumer's requirements or objectives; or

# Rapid Loans Pty Ltd Form 5 - Information Statement

## Things You Should Know About Your Proposed Credit Contract

This statement tells you about some of the rights and obligations of yourself and Rapid Loans Pty Ltd, Australian Credit Licence: 388847 ("Rapid Loans"), your credit provider. It does not state the terms and conditions of your contract.

If you have any concerns about your contract, contact Rapid Loans and, if you still have concerns, Rapid Loans' external dispute resolution scheme, or get legal advice.

### THE CONTRACT

#### 1 How can I get details of my proposed credit contract?

Rapid Loans must give you a pre-contractual statement containing certain information about your contract. The pre-contractual statement, and this document, must be given to you before:

- your contract is entered into; or
  - you make an offer to enter into the contract;
- whichever happens first.

#### 2 How can I get a copy of the final contract?

If the contract document is to be signed by you and returned to Rapid Loans, you must be given a copy to keep. Also, Rapid Loans must give you a copy of the final contract within 14 days after it is made. This rule does not, however, apply if Rapid Loans has previously given you a copy of the contract document to keep.

If you want another copy of your contract, write to Rapid Loans and ask for one. Rapid Loans may charge you a fee. Rapid Loans has to give you a copy:

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- otherwise within 30 days of your written request.

#### 3 Can I terminate the contract?

Yes. You can terminate the contract by writing to Rapid Loans so long as you have not obtained any credit under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

#### 4 Can I pay my credit contract out early?

Yes. Pay Rapid Loans the amount required to pay out your credit contract on the day you wish to end your contract.

#### 5 How can I find out the pay out figure?

You can write to Rapid Loans at any time and ask for a statement of the pay out figure as at any date you specify. You can also ask for details of how the amount is made up.

Rapid Loans must give you the statement within 7 days after you give your request to Rapid Loans. You may be charged a fee for the statement.

#### 6 Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

## Consumer Information Booklet

### Rapid Loans Pty Ltd Form 5 - Information Statement Things You Should Know About Your Proposed Credit Contract

#### 7 Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

#### 8 Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change. For example –

- you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published in a newspaper.
- you get 20 days advance written notice for –
  - a change in the way in which interest is calculated; or
  - a change in credit fees and charges; or
  - any other changes by your credit provider;

except where the change reduces what you have to pay or the change happens automatically under the contract.

#### 9 Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider. Discuss the matter and see if you can come to some arrangement.

If that is not successful, you may contact Rapid Loans' external dispute resolution scheme. External dispute resolution is a free service established to provide you with an independent mechanism to resolve specific complaints.

Your credit provider's external dispute resolution provider is the Australian Financial Complaints Authority, or AFCA and can be contacted at phone: 1800 931 678, email: [info@afca.org.au](mailto:info@afca.org.au); website: [www.afca.org.au](http://www.afca.org.au) and post: GPO Box 3, Melbourne VIC 3001.

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid.

You can also contact ASIC, the regulator, for information on 1300 300 630 or through ASIC's website at <http://www.asic.gov.au>.

## INSURANCE

#### 10 Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, you can decide if you want to take out insurance or not. If you take out insurance, the credit provider can not insist that you use any particular insurance company.

#### 11 Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance.

You can always ask the insurer for details of your insurance contract. If you ask in writing, your insurer must give you a statement containing all the provisions of the contract.

#### 12 If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

#### 13 In that case, what happens to the premium?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

## Consumer Information Booklet

### Rapid Loans Pty Ltd Form 5 - Information Statement Things You Should Know About Your Proposed Credit Contract

#### 14 What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

#### Mortgages

#### 15 If my contract says I have to give a mortgage, what does this mean?

A mortgage means that you give your credit provider certain rights over any property you mortgage. If you default under your contract, you can lose that property and you might still owe money to the credit provider.

#### 16 Should I get a copy of my mortgage?

Yes. It can be part of your credit contract or, if it is a separate document, you will be given a copy of the mortgage within 14 days after your mortgage is entered into.

However, you need not be given a copy if the credit provider has previously given you a copy of the mortgage document to keep.

#### 17 Is there anything that I am not allowed to do with the property I have mortgaged?

The law says you can not assign or dispose of the property unless you have your credit provider's, or the court's, permission. You must also look after the property. Read the mortgage document as well. It will usually have other terms and conditions about what you can or can not do with the property.

#### 18 What can I do if I find that I can not afford my repayments and there is a mortgage over property?

See the answers to questions 22 and 23.

Otherwise you may -

- if the mortgaged property is goods -- give the property back to Rapid Loans, together with a letter saying you want Rapid Loans to sell the property for you;
- sell the property, but only if Rapid Loans gives permission first;

OR

- give the property to someone who may then take over the repayments, but only if Rapid Loans gives permission first.

If Rapid Loans won't give permission, you can contact their external dispute resolution scheme for help.

You should understand that you may owe money to Rapid Loans even after the mortgaged property is sold.

#### 19 Can my credit provider take or sell the mortgaged property?

Yes, if you have not carried out all of your obligations under your contract.

#### 20 If my credit provider writes asking me where the mortgaged goods are, do I have to say where they are?

Yes. You have 7 days after receiving Rapid Loans' request to tell Rapid Loans. If you do not have the goods you must give Rapid Loans all the information you have so they can be traced.

#### 21 When can my credit provider or its agent come into a residence to take possession of mortgaged goods?

Rapid Loans can only do so if it has the court's approval or the written consent of the occupier which is given after the occupier is informed in writing of the relevant section in the National Credit Code.

## Things You Should Know About Your Proposed Credit Contract

### GENERAL

#### 22 What do I do if I can not make a repayment?

Get in touch with Rapid Loans immediately. Discuss the matter and see if you can come to some arrangement. You can ask Rapid Loans to change your contract in a number of ways:

- to extend the term of your contract and reduce payments; or
- to extend the term of your contract and delay payments for a set time; or
- to delay payments for a set time.

#### 23 What if my credit provider and I can not agree on a suitable arrangement?

If Rapid Loans refuses your request to change the repayments, you can ask Rapid Loans to review this decision if you think it is wrong.

If Rapid Loans still refuses your request you can complain to the external dispute resolution scheme that your credit provider belongs to. Further details about this scheme are set out below in question 25.

#### 24 Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you can not be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the credit provider's external dispute resolution scheme or ASIC, or get legal advice.

#### 21 Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also READ YOUR CONTRACT carefully.

**If you have any complaints about your credit contract, or want more information, contact your credit provider. **2 What will it cost me?**

The Credit Contract amount and payments will be clearly specified by a member of the Rapid Loans' staff and will be detailed in the Credit Contract.

**3 What is the term of the Credit Contract?**

The term will be mutually agreed on and clearly stated on your Credit Contract, as will the details concerning payment.

**4 When will I have to make the instalment payments?**

If you agree to pay for your Credit Contract by instalments, the times for payment and the amount of the payments that you will have to make are set out in the Credit Contract.

**5 How can I get details of what my proposed Credit Contract entails?**

Prior to you signing the Credit Contract, you will have been provided with a copy to read. Please carefully read this document before proceeding. ## Consumer Information Booklet

### Questions and Answers Concerning the Security Interest/Mortgage

**1 If my Credit Contract requires the additional security of a Security Interest or Mortgage, what does this mean?**

The security interest or mortgage granted by you, means that you give Rapid Loans certain rights over any property you mortgage. If you default under your Credit Contract, Rapid Loans, as the funds provider, can exercise the Security Interest or Mortgage and can sell the mortgaged property. Please note: the proceeds of the sale, less the associated costs and less the amount you still owe under the Credit Contract, might not be enough to cover the total debt and you may still owe money to Rapid Loans.

**2 Should I get a copy of the Security Interest or Mortgage?**

Yes. Rapid Loans will provide a copy to you. If you lose this copy, Rapid Loans will provide you with another, on receipt of your request in writing.

**3 Is there anything that I am not allowed to do with the property I have charged or mortgaged?**

The law says, and the Security Interest or Mortgage also notes, that you cannot assign (give to someone else), or dispose of the property (sell or destroy) unless you have the funds provider's, or the court's, permission. You must also look after the property. Read the Security Interest or Mortgage document carefully, because it specifies the other terms and conditions about what you can or cannot do with the property.

**4 What can I do if I find that I cannot afford my repayments as prescribed in the Credit Contract, and there is a Security Interest or Mortgage over property?**

First, get in touch with Rapid Loans to discuss the matter and see if you can come to some arrangement, which may include:

- the variation of your Credit Contract;
- if the property involved is goods, give the property back to Rapid Loans, together with a letter saying you want Rapid Loans to sell the property for you;
- sell the property yourself, but only if you get written permission from Rapid Loans first;
- give the property to someone else, but only on the proviso that they negotiate with Rapid Loans, to take over responsibility for the payments under the Credit Contract and Security Interest or Mortgage.

If you cannot reach agreement with Rapid Loans, then you should contact AFCA or seek professional legal advice. You should understand that you may owe money to Rapid Loans, even after the mortgaged property is sold.

**5 Can Rapid Loans, as the funds provider, take or sell the mortgaged property?**

Yes, if you have not carried out all of your obligations under your Credit Contract.

**6 If Rapid Loans writes asking me where the mortgaged goods are, do I have to say where they are?**

Yes. You have seven (7) days after receiving Rapid Loans' request to tell them. If you do not have the goods, you must give Rapid Loans all the information you have so they can be traced.

**7 When can Rapid Loans or its agent come into a residence to take possession of mortgaged goods?**

Rapid Loans can only do so if it has the court's approval or the written consent of the occupier.

#### Notifiable Data Breaches

An eligible data breach is unauthorised access to or unauthorised disclosure of personal information, or a loss of information that we hold, that a reasonable person would conclude is likely to result in serious harm to any individuals to whom the information relates and we have not been able to prevent the likely risk of serious harm with remedial action.

If there are reasonable grounds for us to suspect there has been a data breach, where possible we will take all reasonable steps to contain the possible data breach and will, as soon as possible and within 30 days after we become aware of the suspected breach, assess whether the breach is likely to result in serious harm to any individuals to whom the information relates and whether it is an eligible data breach.

If we have reasonable grounds to believe there is an eligible data breach, and no exception under the Privacy Act applies, we will notify those individuals affected and the Australian Information Commissioner. This notification will contain our contact details, a description of the eligible data breach, the kind/s of information concerned and recommended steps for individuals to avoid, reduce or control any adverse impact from the breach.

If it is not practical to contact the affected individual directly, we will publish a statement on our website.

There are some exceptions under the Privacy Act which may not require us to notify individual/s of an eligible data breach. For example, if we have taken remedial action before any serious harm occurs or before any unauthorised access or disclosure occurs, or where there has been a declaration by the Australian Information Commissioner that we are not required to give a notification.
